SPECIAL EDITION

May 2011

New! Try our online catalog

Special points of interest:

- The Killingly Public Library has a new library catalog
- You can renew items online
- You can place holds on items

COMING SOON:

- You can have your hold and overdue notices sent directly to your email.

The Killingly Public Library's online catalog (<http://acorn.biblio.org/killingly>) lets you search for items, renew your material and place holds from anywhere, any-time.

We are bringing up a brand new catalog. You can search only Killingly Public Library's catalog or you can search all the library catalogs in the BibliOak, Bibliomation's new library catalog.

You can place holds on items from other libraries in the shared catalog and pick them up at the Killingly Public Library.

Log In!

Your Account will show you what you have checked out, let you renew any items that are renewable and place holds on Killingly Public Library materials.

Log in by clicking on "My Account" and entering your library card number. **Your password** will be the last four digits of your phone number. You'll be prompted to change it the first time you log in.

Once logged in, you will be able to change the username, password, and email address associated with your barcode.

Renewing Items and Placing Holds

To renew items, go to the “Items Checked Out” section of your account, check off the boxes next to the items you wish to renew and click on “Renew Selected Items.”

If you wish to select all of your checked out items, you can click on the word “All” in the Select column.

You can place holds on materials from the online catalog. Search for the item you want, then click “Place Hold.”

Once you’ve placed a hold, the item will appear in your account, under “Items on Hold”

Account Preferences

In Account Preferences, you can tell the library how you’d like to be notified when an item you have a hold on is available.

Account Preferences is also where you can specify your preferred font size and the number of results you see per page in the catalog.

You can also save your default search location. You can search just your library or the entire group.

Your library can email you, call you, or both when your holds are ready.
